## ISSUE OF CONVERTIBLE PREFERENCE SHARES BY A SUBSIDIARY COMPLETION ANNOUNCEMENT

The Board is pleased to announce that the Subscription has been completed on 29 April 2005.

Reference is made to the announcement dated 11 November 2004, the circular dated 3 December 2004, the announcement dated 16 March 2005 and the circular (the "Circular") dated 18 March 2005 issued by Hi Sun Technology (China) Limited (formerly known as Hi Sun Group Limited) (the "Company"). Unless the context requires otherwise, capitalised terms used in this announcement shall have the same meanings as those defined in the Circular.

As at the date of this announcement, the IVR Contract has not been renewed, which renewal is being processed. Despite the aforesaid, considering that there has been no interruption in the provision of services by Beijing Hi-Sunsray to China Mobile, Turbo Speed and the Subscribers have agreed to waive the condition of the Subscription Agreement set out in (a) under the paragraph headed "Conditions precedent" of the Circular, which was related to the provision by Turbo Speed a written confirmation from China Mobile that the IVR Contract has been renewed. Save as the above, all other conditions of the Subscription Agreement under the paragraph headed "Conditions precedent" of the Circular have been fulfilled. Accordingly, the Board is pleased to announce that the Subscription has been completed on 29 April 2005. The Convertible Preference Shares have been issued and allotted to the Subscribers on 29 April 2005.

Following Completion, the Company's equity interest in Turbo Speed has been reduced to approximately 84%.
